

Special Education Intervention Connection for Reducing Your Special Education Concerns

Inclusion & Compliance -

Simple and Dependable Service within Inclusion Setting

- Neural pathway strengthening activities delivered in 4 minutes
- No teacher preparation as teacher initiates video exercises
- Efficient submission of data at the end of the grading cycle
- Stay IEP compliant - easy documentation of inclusion class minutes

Staff Shortages & Behavior -

Overcome issues with understaffed Special Education departments

- Compensate for missed Push In and Pull Out minutes covered via specialized activities that apply to IEPs
- Reduce the need for extra Special Education Staff with the Bedell Boost
- Improve classroom behavior with The Parachute Effect components through decreased impulsivity, minimizing the need for Behavior Specialists

ELEVATE Reading, Math & STAAR Scores

IMPROVE Classroom Behavior and Social and Emotional Learning

DECREASE Teacher Workload
